It is our aim to enable a pleasant and successful cooperation of participant of this school.
For this reason, the following rules must be observed:

1. We do not insult or harm our school mates.
2. We do not leave the school grounds, but remain on the schoolyard.

Our school should stay beautiful, so that we feel comfortable there. For this reason we will observe the following rules:

3. We do not damage anything in our school, neither on the outside nor on the inside.
That means that we do not write or draw on walls, tables, chairs or cupboards and we will not damage anything.
4. We keep our school clean and throw rubbish into the rubbish bins.
5. We are not chew gum on school grounds and we will not spit onto the ground.
6. The class room is cleaned at the end of the school day and the floors are swept.

In school we want to learn. In order to ensure that this is possible for every pupil, we will observe the following rules:

7. We do not linger in the school building before classes start, but wait at the meeting point from which we are collected.
8. We are listening to the teacher's instructions.
9. We are taking off our coats and jackets, hoods and caps when we are entering the class room.
10. We do our homework!
11. We speak **German** on school grounds.

Our breaks are important. In order to relax, we will observe the following rules:

12. We don't run through the school buildings, but stay outside in the schoolyard.
13. We don't stay in the toilets any longer than necessary.
14. We don't throw snow balls in winter.
15. At the end of the break we return to the meeting point from which we will be collected.
16. We do not use mobile phones or electronic gadgets on school grounds.

What happens if we do not observe the rules?

If I don't observe the rules, I have to take the consequences. That means:

- If I soil anything and if I litter, I will have to clean up!
- If I don't observe the rules I will have to help the janitor and sweep the schoolyard!!
- If I don't participate in lessons, I will be detained!
- If I use my mobile phone during breaks, I will have to hand it over to the teacher and I will only get it back when my parents pick it up from the secretary's office.

I understood everything and accept the school rules, so that we will have a pleasant school year together ☺
